MOVIE QUIZ WINNERS TO BE ANNOUNCED ON MONDAY NIGHT

Managers Hal Honore' of the Fox Sequoia Theater and Al Ackerman of the Redwood Theater will announce the winners of the $250,000 Movie Quiz from their stages this coming Monday night.

Nationally, 5404 persons will receive compensation for their efforts in this contest, which was advertised extensively in the Tribune, and in which the local theaters participated.

The judges in this contest were Mrs. Ogden Reid, Dr. James E. West, Mrs. Helen Wills Moody, Rep. Bruce Barton and Mrs. Hendrik Willem Van Loon.

In the selection of the winning letters, it is interesting to note that the entries were considered without signatures, and were identified by a code and key number. In that way, even the judges did not know the names of the successful contestants until after they made their selections.

The motion picture industry is justly proud of the success of this contest and the manner in which it was judged. Although a tremendous task, because of the large number of entries, each answer was carefully checked by a staff of experts, and through a process of elimination the letters were graded and then considered by the judges.

HARDY FAMILY GOES WEST

For the fifth time, the Judge Hardy Family flashes on the screen with their typical American humor and adventure when "Out West With the Hardys," starring Mickey Rooney, Lewis Stone, Cecilia Parker and Fay Holden, comes to the Redwood Theater for two days starting Sunday. Companion feature on the program, "Torchy Blane Gets Her Man," with Glenda Farrell and Barton Mac Lane.

Group of Nine Meets at Site

In informal ceremonies, Redwood City's exhibit in the exposition Model Homes Tour was formally started a few minutes after 10 a. m. Monday when nine civic leaders gathered at the site on Blandford Blvd. and Durlston Rd. as Mayor Louis C. Christensen turned over a shovelful of earth to mark the beginning of construction on the $25,000 project.

Present besides Mayor Christensen were Pres. Joseph R. Territo and Secty. Roscoe D. Wyatt of the Redwood City Chamber of Commerce; A. J. Wilbe, builder, and Arthur D. Janssen, architect of the home; L. E. Werder, Henry Witte and Perry A. Bygdnes of the exposition model home committee, and Carl E. Ward, who has been aiding in the project.

The group posed for pictures, then dispersed.

It is expected the home will be completed about May 12. It will be shown exposition and other visitors throughout the year.

'TAILSPIN' COMING TO SEQUOIA

Alice Faye, Constance Bennett, Nancy Kelly and Joan Davis, in "Tailspin," which will share honors with "Tom Sawyer, Detective" on the Fox Sequoia Theater screen next Thursday, Friday and Saturday.

The 1938 Fall pig crop in the United States was estimated to be 18 per cent larger than 1937.

Thirty-three states have laws making it an obligation for children to support aged parents.

Toastmasters Enjoy 'Travelog' at Meet

Toastmasters were taken on a travelog Monday night when Henry Anderson told of the "Black Hills of South Dakota"; Robert Bristow spoke of "The Northwest"; Max L. Gelber described "The Carriso Gorge," and Martin Levy discussed "The Emperor of Japan." The club members were brought back to reality, however, by the critic, Robert R. Gros, who had an especially long period for comment since only four of the six speakers scheduled for the program appeared. Ted Seufert III was chairman.

$50 Fine Is Paid By Tavern Owner

Richard Anglasay, Brisbane tavern owner, Tuesday was fined $25 on each of two counts of selling liquor to minors. The fine was imposed by Judge A. R. Cotton after Dep. Dist. Atty. Louis B. Dematteis informed the court Judge Maxwell McNutt, in a similar case, had levied a fine of $100.

Joseph J. Bullock, attorney for Anglasay, withdrew the previous plea of not guilty and waived time for sentence. The boy and girl to whom Anglasay admitted selling liquor were told to stand up. Bullock contended Anglasay thought both were over 21.

Judge Cotton agreed the girl looked to be an adult, said the boy looked under 21.

Anglasay was warned recently by the State Board of Equalization against selling liquor after hours.

Missouri was the first state to dedicate its building at the Golden Gate International Exposition.

Council Votes Fund for Home

A resolution calling for the introduction of an ordinance limiting the number of dogs for any one family to two was adopted by the city council at its regular session in the courthouse Monday.

Designed primarily to "prevent stables of greyhounds from running loose within the city limits," the proposed ordinance, in part, reads:

". . . It shall be unlawfull for any person, other than a duly licensed veterinarian, to keep or maintain more than two dogs over the age of three months, at any one place in the city limits and not more than one of the two said dogs shall be a female. . . ."

HITS NOISY DOGS

Only dogs which create a disturbance by barking or chasing automobiles or by molesting others will be affected by the ordinance, Councilman Evans A. Fletcher pointed out.

Councilmen unanimously agreed to a plan proposed by A. J. Wilbe, contractor for Redwood City's model exposition home, construction of which got under way yesterday morning at Blandford Blvd. and Durlston Rd., whereby the city will contribute $1500 for carrying charges on the building.

The $20,000 home, which will be open to the public for inspection from May 1 to Oct. 31, was hailed by councilmen as "very worthwhile publicity" for the city.

Councilman Paul A. McCarthy, in moving adoption of the plan, said the project is receiving nation-wide publicity and predicted that at least 50,000 exposition visitors would inspect the model home.

ROADSIDE SIGN GRANTED

Provided the sign is painted annually and as frequently as is necessary, "particularly after the California-Stanford football game," were the contingencies made by the council in granting Bear Photo Service permission to put up a sign on El Camino Real south of Five Points.

Partisan Stanford supporters smear the golden bear with red paint when Big Game fever is high, councilmen explained.

An ordinance adopting a uniform building code for contractors was adopted.

WHEN there is a World's Fair right in our midst — the Golden Gate International Exposition on Treasure Island in San Francisco Bay — what a grand chance it is for all of us to tell the world that it pays to live in California! We know that story! Let's tell that story to friends and relatives in person, by letter and through our own enthusiasm about the joys of living here in California.

All through California are parks, streets, buildings, stores and homes that have been made to "shine for '39." Your own home looking bright and fresh and clean this Spring will show no effects of winter. Green lawn, shrubs and gay flowers. The whiteness of your house, which thanks to clean Gas Heating, retains its bright newness. To visitors accustomed to Eastern winters, the homey comfort of easy chair living with Gas Heating, will be impressive proof that it pays to live in California.

MENLO PARK NEWS

FOUNDERS' DAY

MENLO PARK, Feb. 24. — Founders' Day will be celebrated by the people of Menlo Park beginning Mar. 20 and continuing until the 26th with a round of pleasure and social activities. On Monday evening, Mar. 20, a banquet will be held when pioneers will recount the stirring events of the past. The 21st a sheriff and judge are to be elected and on the 22nd the delegates to the Lions convention will be entertained. Activities will continue throughout the week, winding up with a mammoth parade. This occasion is to be a big affair, one to be long remembered.

Menlo Park was originally incorporated on Mar. 23, 1874, through the efforts of John T. Doyle. The governor of the state commissioned those who were to act as trustees at the beginning of the town after incorporation. They were L. P. Cooley, John T. Doyle, George C. Boardman, Charles N. Felton and W. J. Adams. The first meeting was held on Apr. 25, 1874, at which J. T. Doyle was chosen president and Robert L. Behre clerk. The following July an election was held for the purpose of choosing a new board, at which time L. P. Cooley, C. N. Felton, W. J. Adams, Dick Kuck and R. G. Sneath were elected. Cooley was chosen president and Dick Kuck, clerk.

Menlo Park as then incorporated took in all of Menlo Park, Atherton and Ravenswood. Shortly after the election the town was disincorporated. This was due, it is said, to the disgruntled candidates who were defeated in the July election.

In 1852 D. J. Oliver and his brother-in-law, D. C. McGlynn, late from Galway, Ireland, purchased 1700 acres of land here. The home town of these gentlemen was near Menlo Park, and because of the beauties of this and because of their fond memories of the old home land they christened the new section by the old home title. The vast holding later passed into the ownership of Robert Johnson.

This is the first time in many years that water has not appeared in the San Francisquito Creek in February. This does not auger well for a rainy season. The stream has often overflowed its banks before this time.

A mission for the Italian population of this district will be given in the Church of the Nativity beginning Mar. 22. A well-known priest from Santa Clara University will conduct the exercises.

A large number from here attended the opening of the Golden Gate International Exposition last Saturday. Many were disappointed at the incompletion of the buildings and poor arrangement of the exhibits.

Those who raised a crop of whiskers before the opening of the fair are letting them lengthen for Founders' Day when all the young men in town will be supporting bushy ornaments. Pat Kearney is rounding up all the smooth pusses.

Building Gift Of Mrs. Stern

STANFORD UNIVERSITY, Feb. 21—In the advance line of medicine's never-ending battle against disease, a new observation post today was projected by Stanford University.

Dr. Ray Lyman Wilbur, president of Stanford, announced plans for a new unit of the Stanford School of Medicine in San Francisco—a three-story laboratory building dedicated exclusively to medical research in such fields as that of cancer, neurology, infantile paralysis, childhood tuberculosis, San Joaquin Valley fever and other public health problems.

The laboratory is being presented to Stanford by Mrs. Louis Stern of Palo Alto in the name of her daughter, Ruth Lucie Stern. (It will be part of the Stanford Medical School in San Francisco, situated on Clay St. opposite the Stanford Hospital.)

Striking architectural plans provide for constructing the building on the cantilever principle, leaving the exterior walls unbroken by structural supports except for two columns in front and rear. This scheme will make it possible to break the wall space on each story with continuous glass panels, admitting the maximum of outside light. All the floor space will be occupied by six large laboratories and 25 small laboratories, plus rooms for housing and caring for the rats, mice and guinea pigs used in research.

The donor of the Ruth Lucie Stern Research building is the widow of Louis Stern, San Francisco and New York manufacturer. She is widely known for her civic and educational benefactions, which include the Palo Alto Community Center, the Palo Alto Boy Scouts' Fire Circle, and the Palo Alto Children's Theater. One of her principal purposes in erecting the research building, it was explained, is to facilitate researches in certain branches of neurology in which she is interested.

V. W. Hallinan, Aides Indicted By S. F. Jury

Vincent W. Hallinan of San Mateo, San Francisco attorney who several years ago maintained offices in Redwood City, and two of his assistants were under indictment in San Francisco today on charges of conspiracy to suborn perjury.

The indictments were voted Monday night by the San Francisco Grand Jury after it heard testimony of 14 witnesses in connection with a fatal automobile accident and a subsequent $100,000 damage suit, which was interrupted last week in San Francisco Superior Court. The damage suit had been filed by Mrs. Elizabeth Bliss, widow of a man killed in a crash with the truck of Harley Green, who with his employers, Savage Transportation Co., was defendant.

According to Asst. Dist. Atty. Harry J. Neubarth, the jury heard evidence that "witnesses" to the accident had been coached to say they saw it and to place blame for the crash on Green, the driver.

Indicted with Hallinan were Emmett Burns, a legal associate who was with Hallinan when he was in Redwood City, and Lowell Wade, an investigator for the Hallinan office.

It was Attorney Hallinan who supervised the expulsion on Aug. 14, 1935, of former County Engineer Carl R. Scott from his office when it was located on Broadway after Scott, since deceased, refused to give it up to the newly-appointed engineer, U. S. Marshall. Marshall later secured the office after a number of legal maneuvers, one to lose it in the election last November.

Entered in the Postoffice at Redwood City as Second Class Mail Matter.

Florida's December, 1938, gasoline sales were more than 1,000,000 gallons above December, 1937.

Ground was broken at Lufkin, Tex., early in 1939 for the South's first newsprint paper mill.

Teams of Two, 'Singles' Out

Although their work was at a standstill Wednesday due to the holiday, 35 loyal members of Redwood City Chamber of Commerce are spending all their spare time these days making the chamber's annual visitations.

This year, the "visitors" are asking two questions of chamber members: (1) What, in your opinion, can be done by the chamber of commerce for the greatest good for this community? (2) What can be done by the chamber which will most benefit your business or profession?

In addition, the members are being presented with a report of 1938 chamber "busy-ness," showing achievements for the year, and corrections if needed are being made for the Redwood City map, which will be reprinted with a revised list of members when the current campaign closes.

Conducting the solicitation are 15 teams of two each, and five "singles." The latter include Henry Witte, Teddy Lauman, D. G. Schiels, H. D. Harliss and Fred Walker. The teams are as follows: Perry A. Bygdnes and George Boring; Lewis E. Franklin and L. E. Wolbert; Charles A. Nelson and Frank Andrews; J. Elmer Morrish and Wilbur H. Doxsee; Clifton H. Woodhams and Milton R. Hinds; K. B. Towne and Ray G. Drake; Sam H. Winklebleck and A. Riley Boyer; W. M. Werder and Norman S. Menifee; Joseph R. Territo and Jack Biane; W. D. Ryan and John E. Layng; James D. Hedge and Amerigo Rossi; A. H. Davies and M. J. Hoffman; J. A. Buhler and Alfred L. Robertson; Harold F. Anderson and Bryce A. Muir; Carl E. Ward and Joseph A. De Geller.

The U. S. department of agriculture estimates that unfermented fruit juices, excluding cider, increased from 1,000,000 cases in 1930 to 24,000,000 cases in 1938; tomato juice jumped from 220,000 cases to 16,000,000 cases.

Recommending Yee & Ko

Chinese Herbs

FOR CHRONIC COUGH

Tacoma, Wash., April 2, 1936.

Yee & Ko Herb Co.

Gentlemen: I am writing to you to let you know that I have used your herbs for congestion of my lungs and a chronic cough that I had for four or five years, and, after using your herbs for three weeks, my lungs were cleansed out and my old cough is gone. I am sure happy to know that your herbs will do positively what you claim for them. I have had three doctors, one X-ray, and electric treatments, and they did me no good, and all kinds of medicine.

And in closing I wish to say that anyone doubting what I have written about can call at my house at any time and I will explain to you personally what these herbs of Yee & Ko have done for me.

Very sincerely yours,
(Signed) FRANK E. BENDER,
1114 Fawcett Ave., Tacoma, Wash.

R. C. Man Released On Bad Check Charge

H. F. Comer, 257 Vera Ave., Redwood City, arrested for passing a fictitious $15 check on a Redwood City merchant, was released late Monday without bail and his case was continued 30 days by Judge Edward I. McAuliffe. According to Dep. Dist. Atty. Burress Karmel, there is some question that Comer wrote the bad check. He spent a week in jail awaiting trial.

Department Saves Home From Blaze

A speedy response by the Redwood City Fire Department averted what might have been a serious blaze shortly before 5 p. m. on Monday when a fire broke out in the home of Mrs. Robert Allen Spencer of 835 Cleveland St. as a result of a faulty heater.

The blaze was confined to several boxes containing magazines and newspapers and the damage was limited to smoke discoloration.

Mrs. Allen said she lit the gas water heater, went into the front room, and when she returned the rear portion of the house was full of smoke. Neighbors turned in the alarm, and within five minutes Chief Mark E. Ryan and his fighters had the blaze out.

A bill has been introduced in Congress by Senator Truman (D., Mo.) to prevent automobile drivers from crossing state lines unless they have a driver's license approved by the federal government.

Burlingame To Seek Underpass at School

BURLINGAME, Feb. 21—Steps will be taken by the Burlingame Chamber of Commerce, the Father's Forum of Burlingame High School, and the city planning commission to arrange financing of an underpass under both railroad and street car tracks at the high school here, it was decided last night at a meeting of representatives of the groups.
